Dear friends,

Thank you for receiving us as friends and laborers for the eternal plans of God. You are appreciated and kept in our focus every day as we give thanks to God for you.

May God birth in your hearts a fresh desire for a new outpouring of passion for His presence, His word and His work. Let Him do this in your heart; it's what we all need.

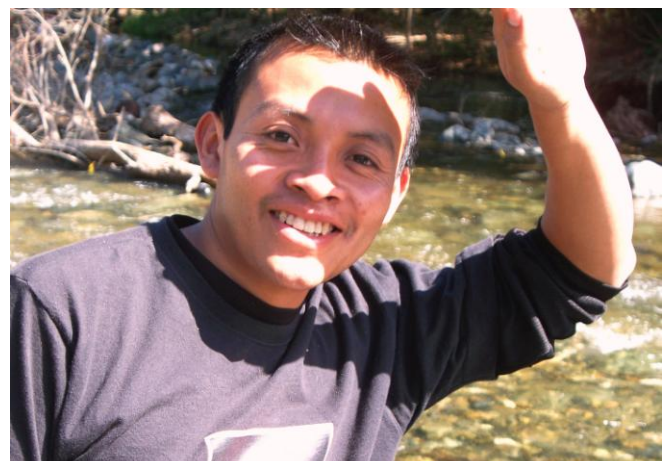

Since our May 2009 update, we have:

- 1) Hosted two short term mission groups. Our first from East Coast Christian Center, FL. and our second from Freedom Christian Center, FL.
- 2) Led a retreat for 35 preadolescents
- 3) Baptized 10 members of our church in our homemade tank
- 4) Overhauled the structure of our labor force in our church
- 5) Visited our son Luke in Arizona for his 30th birthday
- 6) Hosted a conference on the subject of "what do I do now that I'm baptized in the Holy Spirit"
- 7) Held a pastors lunch as a tribute to their effort in advancing the Kingdom of God

Hmmm... It does seem like a lot when you write it all down, doesn't it? **Thanks for helping us do all these works of love for the glory of God. You will be partakers in the heavenly reward with us.**

Please pray about joining our Radio Ministry financially - We'd like to expand our radio program at least two more hours a week. The cost would be an additional \$100 per month. Our program is highly rated and is producing church growth. Let us know. Thanks.

We'd like to conclude with some heartwarming smiles from Roberto and Porfirio, our sons in Guatemala.

**Love,
Mike and Pat Black.**
